APD reminds residents to keep garage doors closed and locked

In the past two weeks, the Austin Police Department North Bureau detectives have seen a sudden rise in burglaries of garages at homes in North Austin. There have been at least 8 reported incidents mostly in the Northwest Area Command.

There are no descriptions of suspects in any of these cases. If you have any information about these incidents please call the North Bureau Detective Unit at 512-974-5584. If you see anything or anyone suspicious please call 911 for emergencies and 311 for non-emergencies.

The Austin Police Department wants to remind residents to keep your garage doors closed and locked at all times. Please do not provide burglars opportunities to make you a victim.
